ABOUT US

We are an outreach program and we provide **FREE** discount prescription cards to people who need help paying for their FDA- approved prescription medications.

Since 2009, we have saved our cardholders over \$1 billion dollars.

WHAT WE ARE NOT

We are not a Multi-Level
Marketing (MLM)
organization.

WHY BECOME A REP?

- ✓ You want an opportunity to work independently; and
- ✓ You want to do something meaningful, enjoy your work, and help your community and people; and
- ✓ You want to build up residual income, which pays year after year.

WHY A DISCOUNT PRESCRIPTION CARD?

- ✓ Help people SAVE money on their prescription medications
- ✓ Make a tremendous difference in a person's life
- ✓ Enable them to purchase an entire prescription instead of having to buy only a few pills or cut their pills in half

HOW IS THE PRESCRIPTION DISCOUNT CARD USED?

- ✓ The card can be used by anyone - it is a bearer card.
- ✓ Present it to the pharmacist who processes the card for discounts on average of 15% for brand medications and 55% for generic medications.
- ✓ The cardholder pays the discounted price, and can use the card over and over. Ask the pharmacist to maintain the number in his system for future purchases. Always present the card to ensure you receive the discounted price for your medications.

WHAT YOU WILL DO

- ✓ ADC Representatives distribute free discount prescription cards to people who are under-insured, uninsured or have insurance but still have to pay full price for medications.
- ✓ ADC Representatives educate doctor offices, cardholders, counselors, social workers, healthcare providers and clinicians on how to use the cards.
- ✓ ADC Representatives help people who do not have internet access by locating participating pharmacies and looking up prescription prices.

IS THERE ANYONE LIKE US?

While there are other discount prescription cards being offered, these truths separate us from the rest:

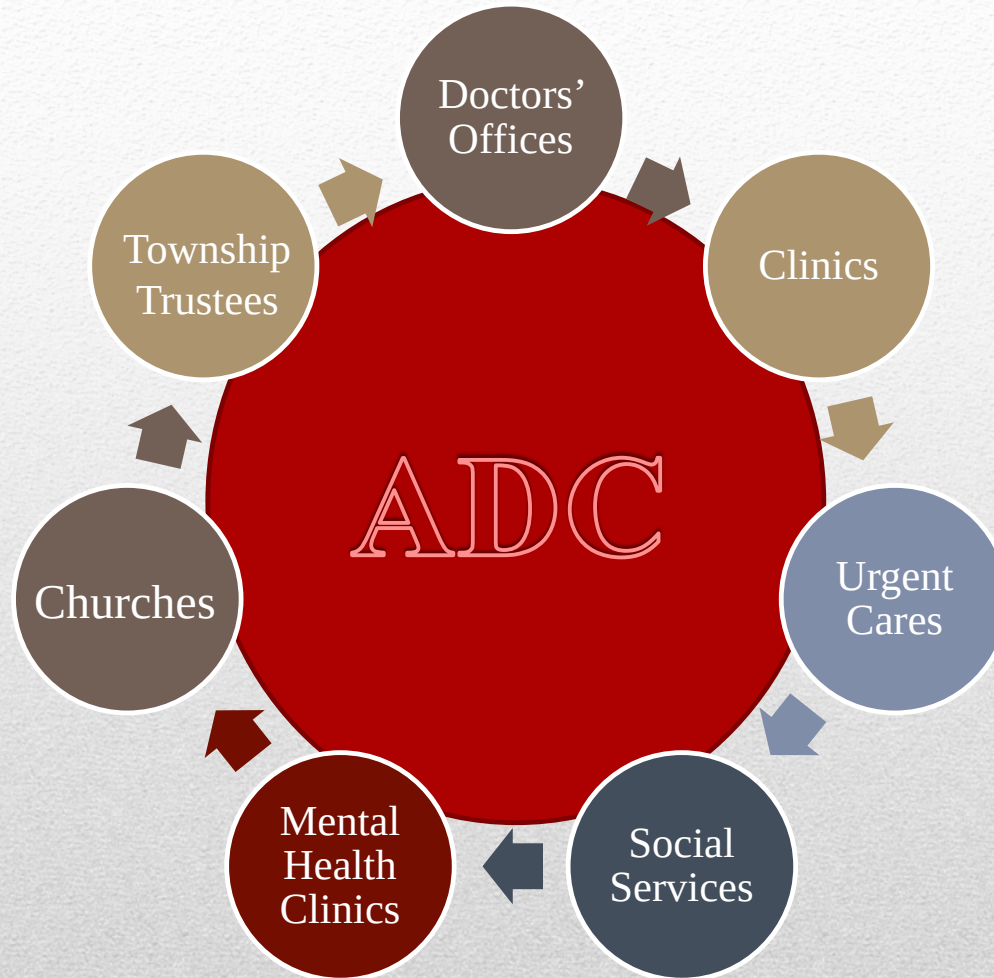

- ✓ Our parent company, National Benefit Builder, Inc. (NBBI), has the highest BBB rating possible.
- ✓ We are a proud member of the Association of Discount Drug Card Org. (ADDCO) www.ADDCO.org
- ✓ We pay a high per script commission, combined with un-paralleled marketing support, rewards, free training and assistance.
- ✓ We never ask, require, or record personal information of our cardholders. HIPAA guidelines are followed.
- ✓ We have a pricing and pharmacy lookup available for our cardholders.

WHY DO PEOPLE NEED US?

There are many reasons people need assistance.

- ✓ They are uninsured;
- ✓ Their insurance has limited prescription drug coverage;
- ✓ They fall into the Medicare “donut hole”;
- ✓ They have Medicaid, but their medications are not covered;
- ✓ Their specific prescription is not covered by their insurance provider;
- ✓ They can’t afford to pay the full retail price for their uncovered medicines.

PLACES TO DISTRIBUTE THE CARDS.

ANYWHERE YOU CAN FIND PEOPLE WHO ARE TAKING MULTIPLE MEDICATIONS ON A REGULAR BASIS.

WHAT TO CONSIDER BEFORE YOU JOIN

- ✓ Costs: Besides the initial one time business investment of \$79.95 (\$49.95 for those 62 years of age or older or a current / retired member of the armed services) to begin your business, you should consider the costs of getting the cards into the hands of the end users. Will you travel each day? Will you mail the cards? Will you use the phone?
- ✓ Time: No matter which method you use, the amount of time and cards you distribute will determine the amount of money you earn and the number of people you help.
- ✓ Commitment to Learn: Will you take the time to listen to the Training Audios in the back office? Will you attend occasional training meetings in your area? Will you attend, by phone, the monthly National and Team calls?

WHAT HAPPENS AFTER I JOIN?

Upon completion of your online application and approval thereof:

- ✓ You will receive two powerful websites.
 - One .org - to direct cardholders, to look up pharmacies in their area and price medications; and
 - One .info - a comprehensive back office where you can manage your account information, track your card usage, order cards, find training materials, marketing materials and learn about our perks, awards and much more.
- ✓ You will receive a welcome email, with your unique ID number, a Marketing Contact List, Programs & Perks list, and a Sample Database to help you create your own. Within 5 business days you will receive a welcome packet containing your Welcome Training Manual, ID Badge, a copy of the ADDCO and Testimonial booklet and a display stand sample.
- ✓ Within 7-10 business days you will receive your personalized 7,500 discount prescription cards to get you started. Also, you will receive a call from your Program Advisor and our office to answer any questions you may have.
